November: A Month to Remember . . .

November is a month of reflection and remembrance. Here is a story to get you started thinking . . .

Maybe we should develop a Crayola bomb as our next secret weapon. A happiness weapon. A beauty bomb. And every time a crisis developed, we would launch one. It would explode high in the air - explode softly - and send thousands, millions, of little parachutes into the air. Floating down to earth - boxes of Crayolas. And we wouldn't go cheap, either - not little boxes of eight. Boxes of sixty-four, with the sharpener built right in. With silver and gold and copper, magenta and peach and lime, amber and umber and all the rest. And people would smile and get a little funny look on their faces and cover the world with imagination. ~Robert Fulghum

Student of the Week

Maiya Porter is a grade 7 student who embodies the most admirable qualities of a Mildred Hall Soaring Eagle. She is new to the Mildred Hall School family and since her arrival has soared both academically and socially. During the first week of school she volunteered her time at the car wash to raise money for athletics. She also modeled how to cut a fish during Fish Camp. She arrives each day with a smile on her face, and is pleasant to all. When the class went skating, Maiya helped others grow confidence with their skating abilities. Maiya is a keen and independent learner both in the classroom, and in any extra-curricular activities such as volleyball. She is a wonderful addition to Mildred Hall School, and we are so proud that she has become a part of our community.

Courage is the first of human qualities because it is the quality which guarantees all others.

~ Winston Churchill

Mission Statement:

We, at Mildred Hall School, work together to promote a safe, respectful, and caring community where individuals can develop academic and social skills. We encourage, support, and cooperate with others to enhance and celebrate the richness of our diverse cultures.

Junior Spike It!

The grade 7/8 girls had a phenomenal weekend of volleyball playing a total of seven matches in a 24 hour period of time. They won 5, lost 2 and finished 3rd overall. Most importantly, they were excellent ambassadors for our school, carried themselves with poise and confidence and grew as athletes and individuals.

The grade 5/6 girls and grade 5/6 boys also played well and enjoyed the tournament. For many of the students, this was the first time they had played volleyball in a competitive situation. All of the MHS players were respectful and showed good sportsmanship!

Thank you to all of the staff who took the time to share in their special weekend. The stands were always filled with staff, parents, students and soaring eagle graduates.

At Mildred Hall, we are Respectful and Responsible

French Trip!

This year, Grade 8 students from Mme. Le Doze's Core French Class are planning a trip to Winnipeg in February. The group is going to attend the Festival du Voyageur. This festival introduces students to French language and culture. It is a great opportunity. Scary Student Work!

There once was a spooky old tree
And he attracted furry bees
The bees flew away
Then came back in May
They also went on a shopping spree.
By Kyanna (Gr.7/8P)

Students create paintings, poetry, paper mache, and crafts based on the Halloween theme!
