## Reminders

### *Be active first and eat later!*

This year MHS is trying something new during our mid-day break. The students will have activity period from 11:40 – 12:05. Then at 12:05, we will have eating period.

### *Closed Campus*

Students are required to stay on school property during the mid-day break (11:40 – 12:25). Emergency lunch is available, and a canteen will open to make sure that everyone has lunch to eat. Parents can sign students out at the office.

## About Mildred Hall . . .

### **Mission Statement:**

*We, at Mildred Hall School, work together to promote a safe, respectful, and caring community where individuals can develop academic and social skills. We encourage, support, and cooperate with others to enhance and celebrate the richness of our diverse cultures.*

At Mildred Hall School, we are

## Respectful and Responsible!

### **REMEMBER:**

When walking on the stair, keep to the right and use the handrails. At MHS we are safe and responsible.

**Safety First!**

Our NEW Playground!

NEW trees!  
Greening our  
playground!

## At MHS, we care about our environment!

As part of our efforts to beautify our school, we have five new trees funded by Tree Canada and Golder! We also have a brand new playground for our PreK-Gr 3 students! Thank you YK1!

Our students learn about the environment by participating in the National Tree Day! Mr. Speakmans' class was fortunate to be invited to the ceremonies at the Museum on Wednesday, September 21.

Students participated in some tree identification activities along the Frame Lake Trail and in Somba K'e Park. We then walked to the museum and helped to plant a tamarack tree by the front entrance.

Several guest speakers, including the commissioner, Mr. George Tuccaro, spoke about the importance of trees to the aboriginal people and to our city. The refreshments afterwards were very good.

# Active Living at MHS

Come out Tuesdays and Thursdays! Biking Club for Gr 4-8!

*New bikes – New bike club!*

MHS Cross-country running team! Go Eagles!
