Strength in Diversity!

Welcome to the MHS Family!

A smooth start to the year!

It is wonderful to back at Mildred Hall School again this year! It is great to see many returning faces coming in the doors. As well, I want to welcome the new students that have selected MHS to call home!

MHS is a fantastic school. We offer many programs that keep students engaged and eager to learn.

New Ideas!

Be active first and eat later!

This year MHS is trying something new during our mid-day break. The students will have activity period from 11:40 – 12:05. Then at 12:05, we will have eating period.

Closed Campus

Students are required to stay on school property during the mid-day break (11:40 – 12:25).

Emergency lunch is available, and a canteen will open to make sure that everyone has lunch to eat. Parents can sign students out at the office.

YK1 Professional Development: Aboriginal Language and Culture

Our teachers received professional development in many areas this fall. We learned about Math Assessment, Aboriginal Language and Culture programming, Literacy, and other topics. We want all of our teachers to make the best possible choices when designing lessons and programs. It's going to be a great year! Enjoy our pictures!
