Everyone has eight types of intelligence. They are:

1. Musical–Rhythmical
2. Visual–Spatial
3. Verbal–Linguistic
4. Logical–Mathematical
5. Bodily–Kinesthetic
6. Interpersonal
7. Intrapersonal
8. Naturalistic.

We will be holding the awards assembly on January 23rd at noon for students in K-4 and 12:30 for 5-7. Hope to see you here! Grade 8 are done in June.

Eagle Awards this Month!

Twice a year students are nominated for awards, based on their academic efforts and citizenship. Teachers meet in their teams to look at the nominees’ progress and then determine who should get the award.

The Eagle awards were developed using Howard Gardner’s theory of “multiple intelligences” with the idea that everyone has strengths in how they learn and that intelligence is not a general ability. From there, we created the awards to be based on the mascot of Mildred Hall which is the eagle. Gardner’s theory of intelligences states that

Marty is visiting this month

We will be holding the awards assembly on January 23rd at noon for students in K-4 and 12:30 for 5-7. Hope to see you here! Grade 8 are done in June.

Lights-On! Low Turnout this Year...

Over Christmas break, school staff chaperoned five events for students in grades 6-8 and JK-1 so they could come to socialize and mingle in a safe environment. With events like hide and seek, board games, gym games and free food, as well as swimming and bowling, there certainly was a lot of fun things to do!

Although the students who came out had a lot of fun, it seemed like there were not as many in attendance this year. Perhaps it was because the temperatures were fairly mild, the Fortnite craze, or maybe families did more things together, but whatever the reason the events weren’t well attended. We will need to reassess whether we will run the program over the spring break.
Thank you to our Sponsors

As we start off the new year, we want to say a sincere thank you to all of the individuals, businesses and groups that help us meet the needs of our students. Whether that is with volunteer hours, monetary donations, as well as other donations of food items, arts and crafts, books and games and school supplies. Your contributions greatly enhance the everyday learning and development of our students.

We welcome anyone who would like to come in and volunteer whether it is during the day to read or help in the classroom, as well as any type of coaching of games and sports.

If you have any time on your hands and want to contribute, just give the school a call.

Dene Law for January—Be Happy at all Times!

As we continue into our New Year, the Dene Law that we will be learning about this month is “Be Happy at All Times”.

What this Dene Law is really about is being grateful with what you have and appreciating life to the fullest, without wishing for more and better things.

Throughout this month, staff will be modelling this to the students and reminding the children to appreciate something everyday. We will work hard to follow this Dene Law and be happy at all times!

JH Sissons Renovations Meeting

Yellowknife District #1 Schoolboard had a public town hall meeting held at JH Sissons on January 10th to discuss the site location for the new JHS school. It is great news that a new state of the art building will be coming to our district! Currently there is a draft of how the students of JHS will be placed in schools throughout the district and there will be more meetings to receive parental feedback as time progresses. As always, MHS will welcome anyone that arrives through our doors.
A Look at our Christmas Events

Pajama Day in BBDC

Kindergartens at the Legislative Assembly for tree decorating

Finishing washing up the very last dish after the Feast!

Grade 7 and 8 prepare for the feast

A Scene from our Christmas concert.
Friday is Pizza day. Bring your $ on Wednesdays and eat on Fridays.
